Representing that the old Mantap building
ordered to be given to the Sri Yadhiraj
Mutt at Melkote on certain conditions,
belong to them and not to the temple
and praying for restoration of the same
to them

Reference is invited to the Govt order dated 12.3.1934 sanctioning the delivery of the Mantap building and the adjoining open ground at Melkote to the Sri Yadhiraj Mutt on certain conditions. The D.C had reported that this property belonged to the temples in the locality. But the petitioners have now stated that the Mantap belongs to them, as ancestral property and pray that it may be restored to the legal owners. The ownership of the Mantap is therefore contested and seems to require investigation, but the case should go to court for adjudication. If approved the D.C will be requested to report on the petitioners' claims.

The petition will be forwarded to the D.C for

This is for orders - So far as the merits of the case go it is clear from the records that the Mantap was in a neglected condition for over ten years that no services were being performed there for years, that the petr has failed to substantiate his claim to the Mantap by producing documentary evidence and that the Mantap has since been repaired by Sri Yellinaja Swamigalu. 2. Kariputtegowda.

Most Respected Sir,

We, the petitioners above named most humbly beg to submit this petition for your honour's kind consideration and favourable orders.

That our forefathers, Kempegowdar got constructed one stone Mantap at Melkote just by the side of the place, where the Sacred Car of Cheluvarayaswami of Melkote stands, at a cost of Rs.20,000/-, wherein during jatra time, aravattige for the community people is being held every year, thus seva is being continuously for more than a century. That during the jatra time, mantap is being white and colour washed every year.

Such being the case the Yathiraj Mutt people with a view to take possession of the Mantap to their hands, had once asked the Muzarai Commissioner to allow them to keep their library in one of the Mantaps. As such permission was granted to keep their library in any one of the mantapams but not particularly in the Mantap in question.. When objections were raised for their unlawful entry, the Subdivision Officer of Frenchrocks came to the spot and made records with regard to the ownership. Such being the case, the Yathiraj Mutt

authorities petitioned and hid the concerned old records of the mantap. Thus the mantap has been illegally occupied and certain repairs are also have been done to that. When the objections were raised by us, repairs were stopped. Since that time, though we have been putting applications both to the Deputy Commissioner and the Muzrai Commissioner, no redress has been given upto this time.

Since the ensuing jatra is fast approaching, we have to get the mantap white and colour washed for the occasion. As such, We pray that your honour may kindly be pleased to call for the concerned records and restore the hak of the mantap to us and kindly order to vacate the same to undertake necessary repairs and white and colour washing business and thus enable us to continue our charities and sevas, for which act of kindness and help, we shall as in duty bound ever remain highly grateful and pray for your long life and prosperity.

We beg to remain,

Chinkurali,

The Dewan of Mysore,

Respected Sir,

We, the undersigned, petitioners beg to bring the following few grievances for your kind consideration and early redress:-

our late grand-father by name Kempe Gowda had constructed a car mantapam situated to the north of the temple of Sri Cheluvaraya Swami at Melukote, Mysore District and which is situated to the west of Vasantha Udyana Gardens.

We have been conducting all kinds of Seva such as (Aravantige) &c during the time of the jatras from time immemorial.

The Government in their Order No. 1220-21/Muz 211-23-4 dated 12-3-34, granted to the Yathiraja Matada Swami certain plots of the mantapam to be supervised and conducted properly during the festivities.

The Swamiji has now usurped our Mantapam as the same is situated close to the temple and affords very many conveniences and have also constructed certain walls by half and halves

Now we earnestly pray under the above circumstances

(i) Orders may kindly be passed to stop the construction of further work ;

(ii) to hand over our mantapam which has come down to us by our ancestors , to our possession

For which act of kindness and justice we shall ever pray for your long life and prosperity.

We beg to remain,
Respected Sir,
Your most obedient servants,

Letter No.126/34 dated 11-9-34 from the Deputy Commissioner, Mysor District, to the Muzrai Commissioner in Mysore.

Disposal of Therumantap - Melkote - petition of Lakshmegowda and another.

With reference to your Official Memorandum No.H.C.10/34-35 dated 30/31s July 1934 and letter dated 1st September 1934 calling for a report on the petition of Lakshmegowda and another praying for a reconsideration of the Government Order directing the handing over of the Therumantap at Melkote to the Srī Yethirajaswamigalu subject to certain conditions, I have the honor t state that the circumstances under which the petitioner Lakshmegowda claims the Therumantap have been reported in this office letter H.871/28 dated 24th December 1930. But Government in their order No.1220-21/Muz.211-33-4 dated 12th March 1934 have sanctioned your proposal to hand over the mantap and th adjoining open ground to the Sri Yethirajaswamigalu subject to certain conditions.

2. The Amildar, Seringapatam Taluk, reports that the property has since been handed over to the possession of the Swami as per Government Order after taking a mutchalika from him and that the Swami has already made some progress in repairing the mantap and enclosing the vacant space and that as Lakshmegowda and his family failed to carry out their charity continuously for about 10 years, the question of the disposal of the mantap for a religious and philanthropic purpose had probably to be considered.

3.The petition and other enclosures are submitted herewith.

Disposal of Therumantap at Melkote.

With reference to your letter No.H.C.10/34 dated 5/10thØ October 1934 calling for further information on the petition of Mr. Lakshmegowda in the matter of the above subject, I have the honor to state that the Amildar of Seringapatam Taluk reports that from the enquiry made by the previous Amildar it has been elicited that the mantap was built by the ancestors of Mr. Lakshmegowda, that he (present Amildar) has also made casual enquiries and is given to understand that the mantap was commonly known as Kempegowda's mantap, that sevas were being performed by him and his family for some years and the same ceased prior to 1921, that thereafter the mantap was being used for storing the articles pertaining to the car and that the party did not deposit Rs 150/- towards the repairs of the mantap as resolved by the Dharmadarsis on 24-3-30 and as reported in this office letter No.H.871/28 dated 24-12-30. In the meanwhile the copy of the Government Order dated 12-3-34 directing the handing over of the mantap to the Sri Yathiraja Mutt was received, and action was accordingly taken.

2. The Amildar reports that the mantap is not being mutilated as alleged, but it is being converted into a pucca library building, that some improvements have yet to be made and that the mantap now presents a beautiful appearance.

3. The previous records available in the Taluk Office are submitted herewith.
